

# Drylining

## For any structure

Checkmate install dryline systems to meet the most demanding of specifications in new or existing structures.

Our wall and ceiling installations meet performance specification requirements with aesthetics to suit individual interior styles.

We ensure every part of the installation is managed by our experienced people to ensure 'duty of care' compliance with Building Regulations, Regulatory Reform (Fire Safety) Order to name but two.

Drylining is part of our core business. We provide a range of practical walling solutions including

site surveys and consultation with clients and manufacturer's ensuring end user satisfaction.

Our range of clients include Tavern Developments, JD Wetherspoon, Cloverleaf Restaurants' and the Interserve Group working on several projects under the Building Schools for Future programme.

Public buildings  
Hospitals  
Schools  
Offices  
Museums  
Retail shops  
Pubs & Hotels  
Airports & Arenas  
Building conversions

*"Checkmate are very user friendly and quick to respond to any issue, they have the manpower to meet our demands",*  
Chris Backhouse, Tavern Developments
